

Welcome to Hudson's

NEW CURBSIDE TRASH AND SINGLE STREAM RECYCLING PROGRAM!

The Town of Hudson along with Pinard Waste Systems is excited to introduce Hudson's new curbside trash and single stream recycling program! This handout explains the different containers used in the program, how the new, simple Single Stream Recycling Program works, and when your collection occurs. Please keep this piece for future reference.

Cart Guide

Black Cart/Black Lid

**This cart is used for
WEEKLY
TRASH COLLECTION.**

Trash must be bagged before being placed in the cart, and the lid must be able to close. No items placed outside of the cart will be collected.

***** SEE INSIDE FOR DETAILS *****

Black Cart/Yellow Lid

**This cart is used for
OVERFLOW
TRASH COLLECTION.**

If your household requires additional trash collection, you may subscribe to additional collection with Pinard for \$150 per year.

***** SEE INSIDE FOR DETAILS *****

Black Cart/Gray Lid

**This cart is
NO LONGER USED
FOR TRASH
COLLECTION.**

Residents may obtain a sticker from Pinard (at no cost) to use this cart for additional recycling, or may return it to Pinard and receive \$25.

***** SEE INSIDE FOR DETAILS *****

Blue Cart

**This cart is used for
SINGLE STREAM
RECYCLING
COLLECTION.**

No more sorting your recyclables! They can ALL go in this one cart, which will be collected every other week.

BEGIN JULY 1, 2012**

Important Information

DETAILS ABOUT YOUR TRASH COLLECTION

Trash Collection: FREE CART Provided by the Town

Your black cart with the black lid may be placed curbside weekly for trash collection. Remember that all trash **MUST BE BAGGED** before being placed in the cart. If your household generates additional trash that cannot be handled with one cart, you may subscribe to overflow trash service from Pinard Waste Systems (see below). Items left outside of the cart **WILL NOT BE COLLECTED**.

Overflow Trash Collection: SUBSCRIPTION SERVICE through Pinard Waste Systems

Recyclable material makes up, on average, 60% of household waste. By recycling everything our program allows, the black cart provided by the Town should be sufficient for most residents' trash needs. For those with greater trash needs Pinard Waste Systems is providing overflow service for an annual fee of \$150. **The subscription period will run from July 1, 2012, and pro-rated for those subscribing after the start date.** Subscription customers will receive a second cart, with a yellow lid, which can be placed curbside along with the cart provided by the Town. At the end of the subscription period, if you choose NOT to renew, Pinard will remove the cart. **To sign up for subscription service, visit www.pinardwaste.com/hudson/ or call (603) 623-7933.**

GRAY-TOPPED CARTS: Return, Keep for Personal Use, or Sticker and Use for Recycling

If you have a cart with a gray lid, you have several options. First, if your blue cart is not large enough to accommodate your recycling needs, you may contact Pinard Waste Systems for a sticker (free of charge) to place on the gray-topped cart and use it for recycling. Second, you may have Pinard Waste Systems collect the cart, and you will receive \$25. If you're opting to take part in the subscription program above, the \$25 can be applied to that cost. Lastly, you may opt to keep the gray-topped cart for personal use such as storage in your garage. Remember, this cart **WILL NO LONGER BE ACCEPTABLE FOR TRASH COLLECTION**.

Guidelines for Automated Collection

Please read this resident user guide completely. It contains important program information.

- All trash should be bagged and placed in the black cart with the black lid, and the lid closed.
- Trash left beside the cart or in other containers will not be collected.
- Collection carts must be set in an accessible location: At least 5 feet from any obstruction such as trees, telephone poles, parked cars, mailboxes, other carts, etc. Approximately 2 feet from the curb and away from low hanging utility lines.
- Carts that are inaccessible will not be serviced until the following week.
- The cart must be placed so that the handle faces the house.
- All carts must be at the curb **by 7:00 AM** on your collection day.
- No hazardous or building materials, yard waste, brush, or recyclables should be placed in trash carts.
- Blue recycling carts should be placed following the same guidelines as trash carts.

Cart Information & Barcoding

Hudson Residents will receive one free cart for trash and one for recycling as part of the automated collection program. These carts are the property of Pinard Waste Systems and should not be defaced or modified in any way. You are encouraged to remove all the recyclable items out of your regular trash, before opting for the overflow subscription program. Recycling will reduce the volume in your trash significantly. The recyclables you remove save the Town of Hudson a substantial amount of money; money which comes out of your taxes!

Note: All carts are bar-coded to the residential address to which the cart is placed. If you choose to subscribe to overflow trash service, you will receive an additional cart which has a yellow lid. This cart is also bar coded to the residence to which it is delivered. Carts may not be loaned or sold to another resident. No residential address may have additional free cart colors. If this happens, the cart will be scanned and returned to the correct address.

Missing or Damaged Carts

If for some reason the cart is destroyed, a new cart will be provided free of charge upon the return of the damaged cart. Missing carts will be replaced upon notification to Pinard Waste Systems. Damaged carts will be repaired at no cost to the resident. Call Pinard Waste Systems at 1-800-675-7933. Please detail the nature of the needed repair. (Lid, wheel, etc.)

Place collection cart 2 feet from curb, and at least 5 feet from any obstruction (ie. parked car, other carts, or a tree).

On one way streets, carts should be placed on the right-hand side of the street.

Single Stream Recycling

HOW DOES IT WORK?

ALL Recyclables now go into ONE CART!

While your trash collection will occur weekly, collection of single stream recycling will occur on an **ALTERNATING WEEKLY BASIS**. The following pages include a listing of streets with your collection day and week (A or B) as well as a calendar indicating the collection schedule.

ANY QUESTIONS, CALL PINARD WASTE at (603) 623-7933

Important Information

DISPOSING OF THE REST OF YOUR MATERIALS

TOWN CLEAN-UP DAYS CHANGES EFFECTIVE JANUARY 1, 2012

- Each residence serviced by curbside collection will be entitled to **THREE CLEAN UP DAY PASSES** per calendar year.
- Passes are valid for that calendar year for which they are issued, and will expire on December 31 of every year.
- Passes may be obtained at the Highway Department during normal business hours or at the landfill during clean up days.
- Residents will be required to show a valid picture ID to be issued passes for their address. The address will be prominently displayed on the pass and is valid for that address only. A valid picture ID will also be required on the clean up day to match to the pass.
- A pass will be required to dispose of any acceptable items per visit. Not per day.
- No additional passes are allowed nor can they be purchased for a fee. The Highway Department will prepare and maintain a resources list for available alternatives for disposal.
- The town is not responsible for lost or stolen passes and will not issue replacements.

***** For complete information regarding Clean-Up Days, contact the Hudson Highway Department: 886-6018 *****
